EXPERIENCE

2018 **Awesome Town Entertainment** **Toronto, Ontario**
Render Wrangler

- Monitored animated scenes as they were being rendered on the in-house render farm
- Checked completed renders for issues and either resubmitted scenes to the farm or contacted artists when necessary.
- Implemented changes to shot priority hierarchy as directed by production team
- Was able to respond and help troubleshoot emergency situations when they occurred

2017 **Unopop** **North Bay, Ontario**
Production Assistant/Actor

- Filled a variety of roles as needed before and during filming
- Received directions from producer and worked autonomously when needed to ensure that filming stayed on schedule
- Provided creative input with director to help troubleshoot and enrich scenes
- When acting was able to work with director to ensure scenes reached their creative vision

2016 - 2016 **Kamstra Landscaping** **Clarington, Ontario**
Landscaper and Customer Service

- Met with owner regularly to discuss schedule of daily tasks
- Engaged with customers to assist with selection and purchase of products
- Worked autonomously to complete projects on residential works sites

within given time frame

- Worked and communicated with team members to complete large scale jobs

■ **2012 - 2014** **Castle Arms** **North Bay, Ontario**

Maintenance

- Completed daily tasks to keep building and property clean in a timely manner
- Collected and completed work orders for repairs and cleaning
- Carried emergency phone to respond to after-hours emergency situations
- Cleaned vacant apartments in spare time to meet deadline before new tenant moves in
